

Accessing Services in the Church Center App

First: Install the App

- Just search for Church Center in the Apple App Store or Google Play Store

Second: Find our Church (*Click Get Started, Use My Location*)

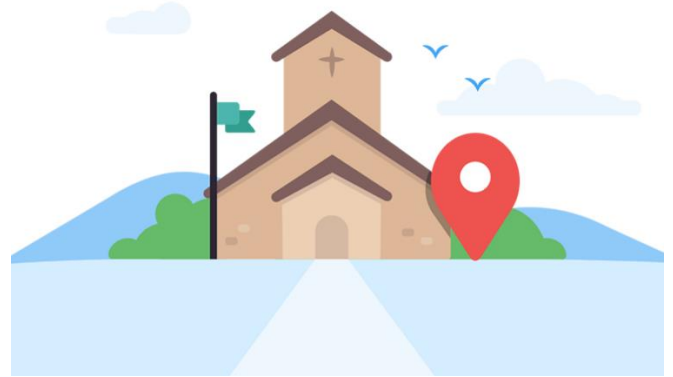

Church Center connects you with the life of your church.

Get started

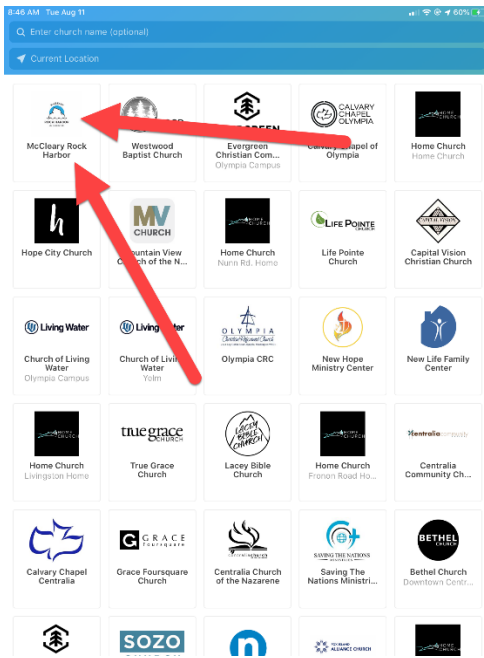

First, we need to find your church — and to do that, we need your location.

Use my location

[Search manually](#)

Then, choose “McCleary Rock Harbor and then click “This is my Church”

On the next screen, enter your phone number, click Next and then enter the code you received in a text message.

That's it, you're in! The different links at the bottom are how you navigate the app! You can use this for your tithes and offering, checking kids into classes and the latest feature, watch our services (LIVE OR PAST WEEKS!!)

To watch services, just click camera icon labeled 'Watch Services', pick the week you want to watch and you're in! That easy!
